

VIRTUAL FOOD DRIVE

GEMMA E. MORAN
UNITED WAY/LABOR FOOD CENTER

An AFL-CIO Community Services and United Way Partnership

Help put food on the table for families in need. United Way of Southeastern Connecticut is at the forefront of bringing food security to ALL in New London County. But we can't do it alone!

The overall food insecurity rate is 13.4%.

Last year, the Gemma E. Moran United Way/Labor Food Center provided the equivalent of two million meals to local households through 65 member agencies and a Mobile Pantry program. Each month, 23,500 people are helped.

United Way's virtual food drive allows you to easily pick items from a website instead of going to a store, buying an item, and finding a drop off location.

With a few clicks, purchase the most-needed items and make a difference in the lives of our neighbors in need, right here in New London County.

We are your local food bank!
